## Spring Celebration of Membership and 50<sup>th</sup> Anniversary

The Official Initiate Register is the book in which new members sign when initiated. Do you remember signing the book?

The graphic design by **Jan Kayson** for this year's page can be seen below. Jan has shared her artistic talent on many other pages throughout the years.

We started our second book in 2008 as we ran out of pages in our first book. Our charter member and guest, **Hilda Scholler**, confirmed her signature on page one of book one.

What a treat to have Hilda and her daughter **Susan** present and to have **Roberta Carlson**, past president (1980-1982) with us for the occasion.

Among the many compliments for our May 2<sup>nd</sup> event is the following as sent by **Teta Minuzzo**, our State Visitor 2016.

“What a wonderful celebration for your 50th Gamma Gamma birthday! I was so pleased to attend and participate with your current and new members as well as hear the success stories of your awardees. You can be proud of your leadership and proud of all Gamma Gamma has accomplished during these past 50 years, Continue on with all your great work. I look forward to working and seeing many of you again in the future. Gamma Gamma is a truly a chapter of key women educators. Thanks again. It was especially fun to see old friends and to meet new ones. Have a wonderful summer.”

Although many have thanked me for a wonderful celebration by phone, email, letter and personally, I must thank my Executive Board, the 50<sup>th</sup> Planning Committee and all participants who helped in preparation for this event.

Here are some more thank you remarks to those who were “behind the scenes” and for whom I am very grateful. This party was a success because it involved so many individuals doing both small and large tasks and following through with their commitment.

**Nancy Harmon** exhibited her talent with the calligraphy on the new member’s certificates.

**Cheryl Keifer** prepared the certificates for years of membership.

**Joan Gazdic** for repair of the 50 year old scrapbooks and for housing them. Also Joan who prepared the memorials for Felicia and Jerry Toher.

**Mary Wrobel** for repair of the flannel board pieces.

**JoAnn Bechtold** for arranging the party favors. Her friend, Charlotte Lemke, made them especially for our group. If interested, you can contact Charlotte at [csstampnscrap@comcast.net](mailto:csstampnscrap@comcast.net).

**John Fussell** for his continued support of the Anne Fussell Grant and for attending our celebration.

**Sandy Cook** for the coordination of the grant- in aid recipients and their families.

Our Literacy Award was presented to **Mary Wrobel** and **Sudah Byanna** for their effort in the start up of our Gamma Gamma Book Club.

## CHAPTER HOMEWORK ASSIGNMENTS

On May 2<sup>nd</sup> you may have noticed copies of, the Program Survey (Attachment 2), the Personal Information Update (Attachment 3) and the Chapter Profile (attachment 1) which were on the welcome table. It was such a busy night that we only received a few of these completed forms. We need this information. Please print copies and send them to the person indicated. You might also bring them to your committee meeting in June.

## CONVENTION NEWS

The nine of us arrived in St. Louis and back home safely. Four in one car arrived Thursday in time to participate in the before convention tours of St. Louis. Mary Wrobel said, “ the bus tour and the various stops it made in St.Louis was well worth it. The tour director was knowledgeable and entertaining. We all enjoyed learning about St. Louis and the tour of the chocolate factory, especially the delicious samples. Also the St. Louis Cathedral with its beautiful art was enjoyed by all.” This group made good use of their driving time by listening to the CD of **Ties that Bind** which was one of the books chosen for discussion workshop. Three arrived by car and two by train on Friday. All of us arrived in time for the Friday entertainment and to set up the Gamma Gamma table in the Chapter Bazaar. Thanks to all our members who contributed the items. Some items were committee projects and some given by individuals. Our profit from bazaar sales was about \$150 which will be given to our Anne Fussell Fund. Remember, this is our 75% and 25% went to Lambda State charity.

Thanks to the efforts of **Jane Kennedy-Ebner** member of our Communications Committee, our Chapter was awarded a certificate for Presenting Newscaster articles.

**Mary Wrobel** made us proud as she sang a medley of songs at the Saturday luncheon to honor the 40, 45, 50 year members. She also sang the White Rose Song at the ceremony on Sunday. **Kris Beaudette** and **Mary Wrobel** are members of the Jubilation Singers. This group , lead by **Sue Young**, Lambda State Music Chair and resident at Friendship Village in Schaumburg , does a wonderful job performing at convention . On Saturday night, the keynote speaker, **Dr. David Mouser** was well received. His message focused on education, leadership, motivation, and the importance of finding purpose through impacting others in a positive way. New Lambda State officers were installed. Information about our new President, **Dr. Debra LaBlanc** and her board, can be found in the Spring 2017 edition of the Lambda State Newscaster.

On Sunday, awards were presented to two of our nominees. **Brittany Moran** received a Florence A. Cook Grant of \$2,400 and **Katie McGarvey** a Lambda State Grant- in –Aid of \$2,000. Katie and her family were in attendance to receive her award. Next year the convention will be held at the Westin Lombard Yorktown Center in Lombard, Illinois. Let’s plan on a good turnout of our Gamma Gamma members!

## DOVE CHOCOLATE EXTRAVAGANZA

Thanks to **Kris Beaudette** for hosting this event at her home in Palatine.

A big thank you goes out to all who attended. We sampled lots of different chocolate item, including candies, sauces, and even chocolate martinis. Who knew that chocolate could be used so many different ways? We all had a good time. The profits from the sales (about \$200) will go to our Anne Fussell Fund.

## **KENNETH YOUNG WALK**

**Adrienne Rovin** and **Kris Beaudette** represented Delta Kappa Gamma for this fundraiser which was our May Service Project. An envelope was passed at the May 2<sup>nd</sup> Spring Celebration for donations. Our chapter contributed \$705 to Kenneth Young Center.

The walk coordinator was appreciative of our efforts and passes on her heart felt appreciation for helping so many members of our community.

## **BOOK CLUB**

On Tuesday, May 16, the group will meet at Macaroni Grill (Higgins and Barrington Rd.) to discuss The Rosie Effect by Graeme Simsion. Jo Ann Bechtold is Hostess.

## **SPECIAL PROJECTS COMMITTEE**

Our Special Projects committee prepared spiced nuts for sale at the Chapter Bazaar. We prepared snack-sized bags of these spiced nuts and sold them for \$3.00 per bag. I know that our sales were good and the nuts were delicious.

Some of us prepared spiced nuts and others made a cash contribution to the project. I used some of the cash to purchase ingredients and supplies. The remaining cash totaled \$100.00. Whoo hoo! I am sending that money to our Gamma Gamma treasurer, as a direct donation to our Ann Fussell Scholarship fund. Thank you for generosity! It will help further our mission of helping future teachers meet their goals.

We had some bags of spiced nuts left after the sale. We took those to a local firehouse for the firefighters to enjoy.

Thanks again for your participation in the Lambda State Chapter Bazaar. Our spiced nuts sale was a success and our generous contributions of cash will help future teachers meet their goals.

## **CONGRATULATIONS DAYNA PROCHASKA**

## GERIE'S GIVE AND TAKE

Continue to wear your celebration button, since this is **still** the year of our 50<sup>th</sup> Anniversary. Convention goers received many compliments as they were noticed while we were in St. Louis. The buttons were great conversation starters.

Be sure to attend your committee meetings in June. Bring your ideas. Enjoy the company of the other members as you develop your plans for 2017-2018.
