\*At the DKG meeting on February 15, 2018, we will be collecting cash or checks for the Malawi wells project. This is a philanthropy that is supported by DKG Society International, run by a group called the Marion Medical Mission ([www.mmmwater.org](http://www.mmmwater.org)). The mission of this group is to provide funding for clean water wells in the impoverished communities in Malawi. The average cost of a well is \$400 which covers the materials needed. The labor and installation is provided locally. Together. Let’s make an effort to send enough for at least one well.

Many of you have already received a letter in the US Mail asking for your support. Checks can be made payable to Marion Medical Mission (Tax Deductible). Cash can be given and sent in with a check from our chapter. If you are unable to attend the February DKG meeting and would like to donate, you can mail your check to Kris Beaudette, 719 White Willow Bay, Palatine, IL 60067. Thank you.

### **Program Committee Chair – Rose Karner**

This year at the Lambda State Convention, we will have the opportunity to participate in the Art Mart. Chapter donations of items or monetary contributions to the Art Mart provide the support needed to award up to \$6000 to outstanding women studying music, dance, drama, or visual arts .This is the only fundraiser for the M. Josephine O’Neil Art Award that is presented at the Lambda State Convention during the odd numbered years.

## LAMBDA STATE CONVENTION

“It’s right in our backyard!” – This is a wonderful opportunity to meet sisters from our state, learn about new and old ideas and show a commitment to Delta Kappa Gamma Society.

There are opportunities to contribute by participation in the music activities at convention. There will be need of volunteers to help as greeters, guides, decorate tables, etc. We especially want our Gamma Gamma Chapter to be well represented at the White Rose Ceremony, as we honor those members who have passed in 2017, on Sunday and perhaps stay for the breakfast meeting after. Felicia Chichy (a 50 year and charter member of Gamma Gamma ) and Jerry Toher (a 70 year member of the Society) along with others from the Illinois chapters will be remembered. If you have never seen this ceremony it is beautiful, touching and well worth attending.

You will find forms for registration as well as chorus or instrumental registration in the Winter 2017 Newscaster. Ask Kris Beaudette, Charlotte Weber or Mary Wrobel about their participation in the chorus. Join in if you play an instrument and want to be involved. (See Attachment 2)

At convention, many scholarships, stipends and grants are given. The annual International applications are due February 1, 2018. There are 30 scholarships that may be awarded and many of these are left untouched due to lack of candidates applying. For example, for advanced graduate degree there is a potential of \$6000 and for a doctorate degree \$10,000. These are yearly awards. If it is too late for you to apply this year, do consider doing so in the future. Our chapter Educational Excellence Chair and Lambda State will help you in applying.

Other lesser amounts are available as stipends or grants. Both Cheryl Kiefer and Chris Dick have been awarded stipends in the past. If you think you are not eligible be aware that you only need to be a DKG member and fill out the applications. Awards can be given for course work or for any project that you may be doing in your classroom or for your personal growth.

### **Some examples:**

An Alpha Kappa member was awarded \$2,500 for 12 semester hours of graduate study while working on her Administrative Endorsement for a Type 75 Certificate.

A Beta Epsilon member received a Special Study Stipend of \$304 for a weekend seminar of MORE: Life Training from the Wright Leadership Institute in Chicago. The focus of the sessions was for Participants to develop skills of personal transformation.

An Iota member received a Special Study Stipend for her participation as a volunteer to decorate the White House in the amount of \$1249.

As you see, anything goes. So get going.
