Halloween - Eleven past and present grant recipients and their mentors had a good time at the Halloween Zoom meeting. Bev Johns, president of DKG-Illinois State Organization also attended.

The girls and their mentors had a very interesting discussion about coping with studying, teaching and participating in sports during this pandemic. The girls have formed a true community of support and friendship with each other.

Photos from the summer and fall activities have been posted to the chapter website.

Rose Karner was the co-chair on this month's service project. For our November service project, we collected craft supplies for the preschools in the churches we use for our meetings. We also collected gift cards for the Marletta Darnall Schaumburg Child and Family Center. Chapter members brought supplies to St. Peter's on Thursday November 18th, between 1:00 - 4:00. Thank you goes out to our members for their generosity.

Our December service project is mail-in donations to fund our Recruitment Grant. This fundraising effort is in place of our annual Holiday Auction.

**Care Team News:**

Please contact Glenda Klein-Mali [GlendaKlein@sbcglobal.net](mailto:GlendaKlein@sbcglobal.net) (and Kris Beaudette [KrisBeau@comcast.net](mailto:KrisBeau@comcast.net)) if you have any news for the Care Team. We also love to hear your good news and celebrations! Let us know what you would like to be shared with your Gamma Gamma sisters.

Many of our chapter sisters have health issues or other situations they are dealing with which prevent them from coming to meetings. If you haven't heard from a Gamma Gamma sister in a while, please take a moment to call or email her. We can all do our part to check on our members and support them when they need us most.

To all our Gamma Gamma sisters, don't forget to let us know if you need our support-  
Sincerely,  
The Care Team

### **Kris' Corner**

I hope you all had a blessed Thanksgiving. We have so much for which to be grateful, and one of those things is for the friendships I have gained and nurtured through our chapter.

I have really enjoyed the job of President. It has been different than I expected, but that is all you can say about 2020, in general! The President's job has been fun and has given me an opportunity to get to know a lot of members that I might not have had a chance to get to know. Also, it has provided me lots of opportunity and motivation to sharpen up my technology skills!

Enjoy the next few weeks as we prepare for the holidays in this unique year. We can find ways to continue traditions or start new traditions, just in a different way.

Take care, and see you soon!
