## **Book Club**

November - When the Apricots Bloom by Gina Wilkinson, 2020, is the selection this month. Set in the early 2000s in Iraq, three women confront the complexities of trust, friendship, motherhood, and betrayal under the rule of a ruthless dictator and his brutal secret police. Former foreign correspondent Gina Wilkinson draws on her own experiences to take readers inside a haunting story of Iraq at the turn of the century and the impossible choices faced by families under a deadly regime. The book discussion is scheduled for Monday, November 29.

## **Recently passed meeting**

We had a lovely October meeting with 41 members attending. Our program was about "Gerry's Café," an organization working to establish a coffee shop that can employ persons with developmental disabilities. For our service project, we collected cash donations to benefit Gerry's Café. We also collected children's gloves and mittens, which we will donate to the schools where our active teaching members work.

## **Next meeting**

Our next meeting is on Tuesday, November 16, 2021 and will be our Cork Craft Night. Please see the Programs section for more information.

Please welcome our new member, Holley McGee. Here is what Holley wrote when she introduced herself:

I have a Bachelors of Music education and am certified to teach K-12 in Illinois and Kansas. I have additional teaching hours in Gifted Education, Improvisational Acting, on-camera techniques and live marketing presentation. I taught music for seven years, K-12 in public schools.

I toured internationally for nine years performing live and on-camera with the Serendipity Singers. I've done numerous television commercials and live marketing events. I've performed with a professional caroling group for 30 years, and performed with the Ray Sasseti Orchestra for 10 years.

For the past 30 years I've taught private voice lessons and have been a judge for the Illinois Music Educators, the Illinois High School Association and other private vocal competitions. For the past 20 years I've been the director of the adult and youth choirs at Roselle United Methodist Church.

In the Community, I've been an active volunteer for PADS and have participated in other charity organizations.

\*Katie McGarvey and Karly Grapenthin would like to thank those of you who baked and/or purchased items at their October 23rd fundraiser, "Cupcakes With Friends". Over \$2,800 was raised for programs at Hoffman Estates High School. Quoting: "More importantly, you made it possible to have an event that celebrated acceptance and inclusion of people with all abilities."

\*Past and present mentors and mentees got together on October 25th for a Halloween Zoom party! Both undergrads and those teaching had fun connecting again, but also had the opportunity to discuss the challenges that this year's school year has brought with it. Social and academic gaps exist as a result of the 2020 school year. Although we had a "spook-tacular" time, it was a sobering reminder of how we all need to support our Gamma Gamma sisters who are out there teaching..!

\*Jon Fussell called and asked that I thank all those who reached out and sent him a birthday card. He was THRILLED!

\*Looking ahead to December: Remember that our Gamma Gamma auction is what funds our Gamma Gamma Recruitment Grant! This year we will again be assisting the Programs Committee, and supporting a wine pull...and ALSO...raffles for MULTIPLE magnum sized bottles of wine, a special "12 Nights of Christmas" raffle, and our ever so popular "Tipsy Elf on the Shelf" raffle!!! Mark your calendars for Thursday, December 9th, and start stashing away your cash for raffle tickets!!!

*(From Dayna: We will be doing cork key chains, trivets and tree ornaments. Members who attended the October meeting signed up for the craft of their choice and I will shop accordingly for the supplies needed, other than the corks.*

*Glue guns were also requested to be brought for that night. If members have specific corks that they have collected, please encourage those to be brought as well.*

*The key chains are made with synthetic corks, whereas the ornaments and especially the trivets need real cork in order to absorb heat.)*

**Service and Special Projects- Gerie Kay, [Geraldine\\_kay@comcast.net](mailto:Geraldine_kay@comcast.net)**

Matina Kantzavelos is the co-chair for November.

November: New and/or gently used children's books. We will distribute these to our active teaching members to take to their schools. We have heard from some of them that the children spend a lot of time reading digital text, but they need regular children's books to distribute to their classrooms and for children to take home. Many of the students have very few books at home.

We also will be collecting children's gloves and mittens to distribute among our active teaching members to take to their schools. Students in need can often get a coat from school, but they can't always get gloves or mittens from school or from home. We can help with this need.

### **Care Team News:**

Please contact Glenda Klein-Mali (and Kris Beaudette) if you have any news for the Care Team. We also love to hear your good news and celebrations! Let us know what you would like to be shared with your Gamma Gamma sisters.

**WE NEED TO KNOW IF YOU AND/OR OTHER MEMBERS HAVE SITUATIONS OF CONCERN. WE WANT TO SUPPORT OUR MEMBERS, AND WE NEED YOUR HELP TO KNOW WHAT IS GOING ON.**

Many of our chapter sisters have health issues or other situations they are dealing with which prevent them from coming to meetings. If you haven't heard from a Gamma Gamma sister in a

while, please take a moment to call or email her. We can all do our part to check on our members and support them when they need us most.

To all our Gamma Gamma sisters, don't forget to let us know if you need our support-  
The Care Team

## **Opportunities**

Please let us know of any opportunities that might interest our members. This might include job opportunities for members or their friends and families, or it might include items to sell, such as cars, boats, tickets, etc.

## **Kris' Corner**

We are so pleased that so many of our members have been able to attend our in-person meetings. If you have any concerns or questions, please let me know. Also, to our newer members, if you have questions about anything about Delta Kappa Gamma, please contact me. Frequently, we long-time members forget that newer members don't know details about the organization and/or about activities, so please give me a call or an email and I will do my best to answer any questions.

See you at our November meeting!
