DKG International Convention

July 12-16, 2022

New Orleans, Louisiana

I was one of 27 Illinois State Organization members in attendance at the convention. Our current state president, Joan Rog, did a wonderful job of keeping us active and involved. We were there for many reasons, including supporting and congratulating Debra LaBlanc (an ISO past president) as she was inducted as the International President.. There were 850 total members representing 17 countries.

We participated in business meetings, an amazing Celebration of Life Ceremony. Music, tours, workshops, guest speakers and time for New Orleans food and fun with our Delta Kappa Gamma sisters.

I hope to share more with Gamma Gamma about this experience at a future chapter meeting.

*A gathering was held in July for past and present mentors and mentees to share and support one another. The focus was on tips for the upcoming school year, and memories of teachers' impacts. A highpoint was Giselle Menjivar and Jillian Mininni proudly being inducted as collegiate members of our chapter. As a service project, undergraduates brought school supplies which have been shared with several schools of need, and mentors and young educators donated bottles of wine for this year's auction.

*Good news! Jada Coakley, who graduated this past spring from U of IL—Urbana-Champaign, is now teaching at Niles West High School! She is teaching math and AVID (Advancement Via Individual Determination).

*In fact, ALL of our young educators are happily employed!!!

*Not sure if you saw on Facebook, but Lauren Haman received meritorious service recognition in the Early Career Educator category of the IL State Board of Education's "Those Who Excel" program. Way to go, Lauren!

*Recently neaToday published an article titled "Missing: Future Teachers in Colleges of Education". It talked about more and more stressed out teachers leaving the profession, and the falling number of college students enrolled in education related majors. I'm so thankful for the support and forward vision of

the Gamma Gamma chapter! We are THERE for our future and young educators!!! Gamma Gamma's strong sisterhood truly does strive to aid in the advancement of education!

*Drumroll please!!! Nancy Harmon's husband, John Harmon, is graciously funding a third scholarship for the Gamma Gamma chapter to award to a deserving female high school graduate. The Nancy J. Harmon Memorial Scholarship will be awarded in 2023; along with the Gamma Gamma Recruitment Grant and the Anne V. Fussell Memorial Scholarship. A tribute to Nancy will be added to our Gamma Gamma website for applicants to learn more about Nancy and the incredible academic and life lessons she shared with her students. More details of John Harmon's donation in Nancy's name will be presented at the September meeting.

*Mark your calendars for our chapter's October meeting! Members of our chapter who were students and teachers during COVID will present a panel discussion on what it was like to navigate the COVID classroom. (Questions welcomed!)

Please contact Glenda Klein-Mali (and Rose Karner) if you have any news for the Care Team. We also love to hear your good news and celebrations! Let us know what you would like shared with your Gamma Gamma sisters.

Many of our chapter sisters have health issues or other situations they are dealing with which prevent them from coming to meetings. If you haven't heard from a Gamma

Gamma sister in a while, please take a moment to call or email her. We can all do our part to check on our members and support them when they need us most.

To all our Gamma Gamma sisters, don't forget to let us know if you need our support-

Rose's Ramblings

I hope all my DKG sisters had a wonderful summer!

Welcome to the new biennium!! Ushering in a new biennium means welcoming new faces to the Executive Board of Gamma Gamma. In addition to myself, Rose Karner, as your president, please welcome Deb Hopp as the chair of Communications and Cindy Sheely, the chair of the Service and Special Projects Committee. We know they will do a great job! (A big "Thank you!" to Kris Beaudette, Cheryl Keifer, and Gerie Kay for their leadership, especially challenging during the pandemic years! They did a phenomenal job!) Fortunately for us, all the rest of the Board members have returned! They bring with them all their experience, knowledge, and positive attitudes! Working with such a great group of people, I know that Gamma Gamma is going to have a wonderful year!!!
